Akinada Tobishima Kaido Information

The recommended cycling route is about 31km.

The route connects islands across 7 bridges between Kure City in Hiroshima Pref. and Okamurajima Island, Imabari City, Ehime Pref. As well as the rich natural environment, you can enjoy the old town scenery of the 'Mitarai' district on the Osakishimajima Island (an Important Preservation District for Group of Traditional Buildings) that retains its character from the Edo period.
